### DIRECTORS AND OFFICERS ELECTED

**For Immediate Release  
September 17, 2007**

The annual meeting of the stockholders of Anthony Forest Products Company was held on September 17.

At the meeting, the following directors were reelected: Beryl Anthony, Jr., Chairman, Aubra Anthony, Jr., Russ Anthony, Wanda Anthony Ragsdale, Clary Anthony, Jr., Lynda Anthony, John Anthony, Jr., Jim Olmedo, Michael Johnson and Stephen Murphy. Clary Anthony, Sr. remains Chairman Emeritus and Fred Gragg, Director Emeritus.

After the annual meeting of stockholders, the Board of Directors elected the following officers to serve during the coming year: Aubra Anthony, Jr., President and Chief Executive Officer; Russ Anthony, Executive Vice President; Clary Anthony, Jr., Vice President of Anthony Log Homes; Lynda Anthony, Vice President of Human Resources, Safety & Environment; Steve Barham, Vice President of Forestry Management & Procurement; Kerlin Drake, Vice President of Marketing; Ronnie Clay, Vice President of Finance and Treasurer; Phillip Pesek, Vice President, General Counsel and Secretary; Lisa Ham, Assistant Secretary and Executive Manager; and Chantle Selman, Assistant Treasurer and Controller.

The election of Steve Barham as Vice President of Forestry Management and Procurement comes after five years of service as General Manager of the Forestry Department. Under Steve's leadership, the Company achieved third party certification of its increasing timberlands as well as its sawmills and laminating plants under the environmental principles of the Sustainable Forestry Initiative. Prior to joining Anthony Forest Products Company in 2002, Steve had a distinguished career in procurement and timberland management with Willamette Industries. He is a graduate of Louisiana Tech University and is married to Gail Nugent Barham.

Anthony Forest Products Company is an integrated forest products business begun in 1916. The company owns approximately 91,132 acres of timberland in Arkansas, Louisiana and Texas. It operates southern pine lumber producing mills in Urbana, Arkansas and Atlanta, Texas; and wood chip mills in Plain Dealing, Louisiana and Troup, Texas. The company also operates engineered wood laminating plants in El Dorado, Arkansas and Washington, Georgia.

Anthony Forest Products Company and Domtar, Inc. of Montreal, Canada jointly own and operate an I-joist manufacturing plant in Sault Ste. Marie, Ontario.
