News Release

ANTHONY EACOM Holds Shareholders' Meeting

Sault Ste. Marie, Ontario, Canada, September 23, 2010: ANTHONY EACOM, Incorporated of Sault Ste. Marie, Ontario, held its annual shareholders' meeting in conjunction with its Board of Directors' meeting at its joint venture I-Joist plant on September 23, 2010. EACOM Timber Corporation of Montreal, Canada, became Anthony Forest's new joint venture partner after purchasing the assets of Domtar Wood Products division, headquartered in Montreal, on June 30, 2010. At the meeting the following directors were elected: Kerlin Drake - Chairman, Russ Anthony, and David McFadden representing Anthony Forest and Jean-François Mérette, Stéphane Boileau, and Rick Collins representing EACOM.

After the annual meeting of stockholders, the Board elected the following officers to serve for the following year: Russ Anthony, President; Jean-François Mérette, Vice President; Derek Ratchford, Secretary; Patrick Bélisle, Treasurer; and Ronnie Clay, Assistant Treasurer. The directors toured the manufacturing plant and held a meeting with all plant personnel to thank them for a safe and excellent job during a significant downturn in the building products business in North America. The Board answered questions from the manufacturing team and shared the company's goals and objectives for 2010 and beyond.

About Anthony Forest

Anthony Forest Products Company is an integrated forest products business incorporated in 1965. The company operates southern pine lumber producing mills in Urbana, Arkansas and Atlanta, Texas; and wood chips mills in Plain Dealing, Louisiana and Troup, Texas. The company also operates engineered wood laminating plants in El Dorado, Arkansas and Washington, Georgia. Anthony Forest Products Company and EACOM Timber Corporation of Montreal, Canada jointly own and operate the I-Joist manufacturing plant in Sault Ste. Marie, Ontario.
